Community Service Spotlight

## Spreading Kindness

Our ECHO families generously donated items and assembled activity bags for the Lehigh Valley Children's Hospital at one of our recent meet-ups! The ECHO Community Service Team delivered the bags with lots of love.

Coming Soon

## Snow Buddies Program

Our next trimester may not start until February 2026 but that doesn't mean we won't be getting together and getting outside. New this year to ECHO Learning Cooperative is our Snow Buddies program where we will be getting together for park plays all throughout January!

## The Monthly Invitation

Membership to ECHO will soon include our Monthly Invitation where members will find our monthly themes for our adventure class along with corresponding books and different activities they can include at home! There will also be the Parent's Corner with different journaling prompts and support for parents because we support the whole family here at ECHO.
