FOSTERING COMMUNITY

This month our members visited Klein Dairy Farms for a fun afternoon!

OUR CORE VALUES

- * Family-led learning
- * Community Connection
- * Enriched Experiences

"If we want our kids to have happy, productive lives, we must allow more time for play, not less."

—Peter Gray

Welcome to the Resonance Report!

This is the first edition of "The Resonance Report" - a monthly newsletter that highlights everything we are up to as a homeschool co-op. We encourage anyone interested in more information to reach out to support@echolearning.org!

We look forward to hearing from you!

Community Service Spotlight

Our community, our heroes

This past month our Adventure class visited the Allentown Fire Department. We learned about fire safety, toured the firehouse and sat in a fire truck. As part of our dedication to forming connections in the community we wrote and mailed them thank you cards!

What we've been up to...

Fall activities

This month we have been enjoying the (mostly) beautiful weather and enjoying our weekly park plays at different Lehigh Valley parks. Our adventure class has enjoyed activities like identifying leaves, making flower bracelets and picking in season fruit!
